COURT FEES FOR LASTING POWER OF ATTORNEY

If you decide to register your Lasting Powers of Attorney then, in addition to Holley & Steer's fees, the Court charge a registration fee of £82 for each Lasting Power of Attorney registered.

If you are in receipt of the guaranteed element of Pension Credit, you will not have to pay the registration fee. If you are not, but your gross income is below £12,000 per annum, you will be eligible for a 50% discount. Additional forms will need to be completed and evidence will be required. If you think that you are eligible for a fee reduction then please let us know and we will be happy to guide you through the process.

Issues Regarding Capacity

When there are issues regarding a Donor's capacity which may result in Holley & Steer having to spend more time on the matter, we reserve the right to charge on an hourly basis. The hourly rate charged shall depend on the experience of the Solicitor or Legal Executive who is assisting you and can range from £185 plus VAT for a trainee Solicitor/Legal Executive, to £285 plus VAT for a Partner.

Non Registration of Lasting Power of Attorney

If registration is not required or wanted when we prepare the Lasting Power of Attorney, then there will be a reduction in fees of £50 (plus VAT) for each Lasting Power of Attorney that is not registered. If you decide to register the Lasting Power of Attorney at a later date, then the registration fee will be £200 (plus VAT).
